Old Saratoga on the Hudson Waterfront Revitalization Plan

The Old Saratoga on the Hudson Waterfront Revitalization project involved preparation of an intermunicipal waterfront revitalization plan for the Hudson River/Champlain Canal corridor known as "Old Saratoga." Participating communities included the Towns of Saratoga and Northumberland and Villages of Schuylerville and Victory in Saratoga County and the Towns of Greenwich and Easton in Washington County. The plan is being used to guide resource protection and economic revitalization along the Hudson River/Champlain Canal corridor. The project was funded by a grant from the NYS Department of State and the participating communities.
